Employment history

- **November 2013 – September 2014 : Working Holiday Visa in New Zealand**
 - Waiter at the Speights Landing Bar in Franz Josef: Very good experience in customer relations and satisfaction. Also I got used to work under stress because we were working with different managers at the same time.
 - Staff member at the Glow Worm Cottages in Franz Josef.

- **April 2011 – December 2012 : Commercial advisor at BNP Paribas Fortis in Hamme-Mille (Belgium)**
 - BNP Paribas Fortis is the biggest Belgian bank. During my work period, I was in charge of Investment advice, loan and general and financial insurance. I was also responsible for counter, back office, Customer service, phone calls and cash handling. This job allowed me to improve my skills by its training for juniors. I also got used to be in constant relation with customers and satisfy them. I also improved my sales skills.

- **November 2009 – December 2010 : Working Holiday Visa in Australia**
 - Fruit picking in Queensland: Good experience in team working and time management.

- **January 2007 – May 2007 : Marketing Junior, InternetVista (Belgium)**
 - InternetVista is a company that offers a monitoring service for websites and other Internet services. I did a 15 weeks traineeship in this company in order complete my bachelor in marketing. During this period, I analyzed the customer base in order to improve targeting of new customers and develop new communication tools. I also wrote web content for their website and blog.

- **June 2005 – July 2005 : Marketing Junior, Mosaique Voyage (Belgium)**
 - Mosaique Voyage is a travel agency where I did another traineeship. My job was to give advice to customers, create and edit promotional brochures.

- **Summer 2002 – 2009**
 - During those summers, I had the opportunity to do a lot of student's jobs. I worked mainly for Unilectric/Cebeo and the Belgian Federal Public Service Finance. I did various jobs like receiving, sorting and stockpiling of materials. Also preparation of orders and assisting

customers. Other jobs consisted of administrative job, telephony, management and databases update and I also did some computer replacements.

Hobby & Interest

I'm passionate about traveling and discovering foreign cultures, I did many trips on the five continents. I'm also very interested in photography that I practice mainly during my travels. I'm captivated by sports and played football for 10 years in a club.
